The largest in-flight accessible baggage compartment of any Business jet.

# EXPERIENCE THE EMBRAER LINAGE 1000E VIRTUAL TOUR

## Innovation

The Lineage 1000E is the epitome of luxury. With five large distinct cabin zones, you can tailor your flight experience to suit you.

Dozens of modules can be combined throughout the five zones, creating multiple possible interior design configurations.

## Comfort

Create your home away from home.

Whether you're working, dining, or relaxing, there are five luxury areas you can style to suit your needs. For the ultimate indulgence, your master suite has the option for a walk-in shower and queen size bed.

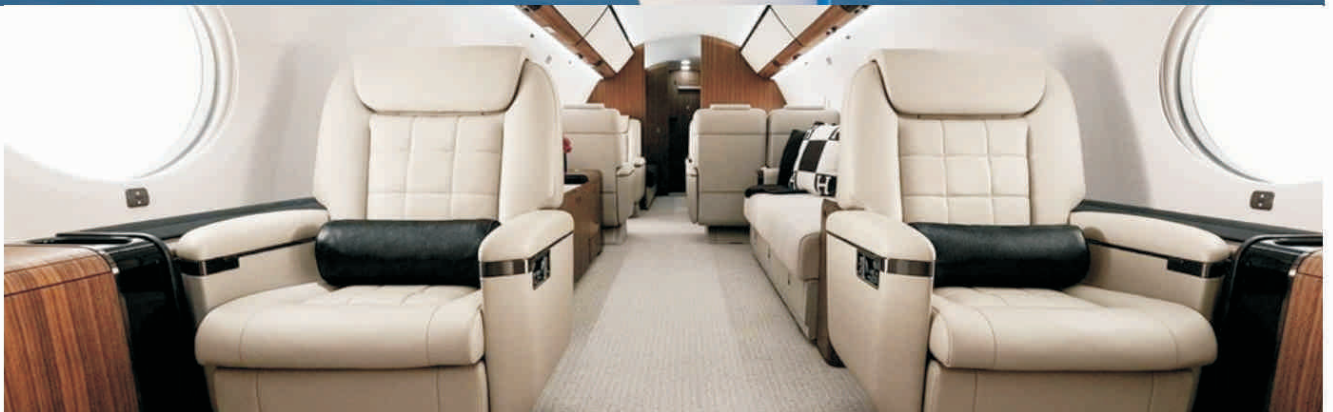

Difference between Embraer Lineage 1000E (large Space) to Gulfstream G650ER (longer Flight range Distance of 19hours.

## Ergonomics

From the Honeywell Ovation Select™ Cabin Management System to the largest walk-in in-flight accessible baggage compartment of any executive jet in the world, we've thought of everything, for you.

## Performance

With new refinements to the aerodynamics and reduced weight, the increased flight range of this ultra-large jet goes above and beyond. It is even capable of operating into the most restrictive airports such as London City, Teterboro, and Aspen

## RASCOJETS Partnership Program with SAHARAJets

RASCOJETS is in partnership with SAHARAJets SKYCARD Program, this program enables the combining of consistency with flexibility. SKYCARD utilizes the best of on-demand services as a smart elegant solution for modern flyers. Design to fit the needs of today's private flyers, we offer on demand access to over 6,000 aircraft worldwide. Members enjoy luxurious in-flight service and 24hours personal Aviation Concierge. It is the modern luxury way to fly private.

### Why is it Smarter

It works just like a debit card. Set up an account and draw it down whenever you want to fly.

### Benefit

- Utilize your funds at any time.
- Your funds never expire. Use them as you please.
- Dynamic pricing enables you to take advantage of market rates.
- Maximize value by modifying airport, aircraft type and departure time or date.

### What YOU GET

- Reap the benefits of an industry-leading experience designed for our most sophisticated flyers. Priority access to SaharaJETS expansive fleet network even on peak travel days.
- A dedicated Aviation Concierge who works tirelessly on your behalf.
- Member service team available 24-7.
- Bespoke menus created for every flight according to your tastes.
- Earn a 4% reward—exclusive to Preferred Access TM members—on all flights booked on the SaharaJETS fleet.

### How It Works

- Set up a SaharaJETS SKYCARD account with a value of at least \$100,000. Deposited funds never expire.
- Work with your Aviation Concierge to define options that will optimize your private jet flight. Enjoy significant cost savings by selecting the right airport, aircraft type and departure date and time.
- Use your funds for all of your private jet charter flights on any aircraft in our Preferred Partner Network.

### SIMPLE BUSINESS MODEL

- Transparent cost structure in a simple agreement
- No asset risk and access to over 6,000 aircraft worldwide
- Availability with as little as 24 - 48 hour. notice
- Truly global reach.

\$250 catering credit per flight.

Terms and conditions apply. On-demand Pricing and terms and conditions are subject to change without notice.
